January 2026

Horseman,

On behalf of the Board of Directors of the World Famous Miles City Bucking Horse Sale, I would like to formally invite you to the 75th World Famous Miles City Bucking Horse Sale. The Board of Governors of the Miles City Bucking Horse Sale has once again made it a priority to continue to improve our horse racing facilities and meet. The added money in the Futurity and Derby will remain at \$15,000 for 2026. Please spread the word! We would love nothing more than to fill every stall we have again.

Once again I would like to ask you as owners and trainers to make a concerted effort to make sure our meet is a success by filling our race cards. With that being said, we ask that you help to ensure we have full races and a full jockey room. It is the responsibility of you as owners and trainers to make sure you have a jockey available to ride.

Stalls will be available March 1st (weather permitting). The track will be available for training weather permitting March 1st. I have attached a stall application as well as our futurity nomination form with this letter and would appreciate you getting the stall applications back to me as soon as possible. I have already had quite a bit of interest so I want to make sure we have everyone covered as far as stalls are concerned.

We will continue our \$5,000 jockey incentive program this year based on the number of mounts and \$1,000 going to the "Ironman" jockey of the meet. Congratulations to Dakota Wood for winning this award last year. We will also be presenting awards to the top trainer and the top jockey at the end of the meet. Congratulations are also in order for last year's top trainer, Bob Johnson and top jockey, Dakota Wood.

I would also like to personally thank all of you for your continued support of our race meet and look forward to working with all of you this spring. If you have any questions or concerns please feel free to call or text me on my cell phone at 406-951-1366 or email robert.tooke@gmail.com.

Please contact Shawn Torstenbo for all your stall needs at 406-853-4435 or email storstenbo@yahoo.com.

Track Rules

1. The track will be open for training and condition March 1st, 2026 weath
2. Stalls must be applied for and approved before any horse may be stalled on the grounds. Stalls must be applied for by **April 1st, 2026**.
3. Stakes Horses will be given preference in stalls. Trainers in good standing who have previously raced in Miles City will be given first choice of stalls.
4. Phone entries will be accepted; papers must be in the race office prior to post time.
5. All rules and/or new rules adopted by the Montana Board of Horse Racing will supersede any condition of the track.
6. All Stakes races must have a minimum of 5 separate paid up trial entries to constitute a race.

Rules covering quarter horse stakes races

Each trial shall not consist of more than eight (8) horses. The trials will be raced under the same conditions as the stakes. All trial races shall be run consecutively to avoid movement of the starting gate. No more than eight (8) horses shall be selected from the trials to participate in the stakes race, if a horse qualifies and does not run in the final it will receive last place money. All Quarter horses shall be selected on a time basis within the limits of the electronic timer. No adjustments will be made on the recorded time due to a head wind, mud, etc. Should a mechanical failure occur with the electronic timer. Hand times will be used. If for any reason a tie exists, the horses involved shall draw lots to determine which shall participate in the stakes race. The stewards shall have sole discretion over whether or not a tie exists. Should a Quarter horse be disqualified he will be given the time of the horse that it is immediately placed behind, plus 1/100th of a second. In the trials, if a starting gate fails to open and the money wagered on the horse is refunded to the public, such a horse will be declared a non-starter and no liability will be incurred beyond the refund of the entry fees paid, less 10% handling fee. In the running of the stakes race, if the starting gate fails to open the money wagered on such a horse is refunded to the public, such a horse will be declared a nonstarter and classified as a scratched horse and he will receive eighth place money. In the event the finals of any stakes race cannot be run and are canceled for any reason, and then the purse money shall be distributed in equal portion to horses qualifying for the finals. If less than 5 horses remain eligible for any stakes after the last sustaining payment, the race will be canceled and nomination and sustaining payments refunded. **THE DECISIONS OF THE STEWARDS SHALL BE FINAL.**

All fees must be paid 4 hours prior to post time. No exceptions. All nomination fees and sustaining fees, less ten percent (10%) handling and advertising costs, plus added money will be divided as stated in stakes program schedule. The management reserves the right to run any or all trial races off the card if it feels it necessary to improve the mutual handle. Estimated purse for the trials is \$2500. In case of inclement weather the management may change the distance if moving the starting gate would be a hazard to the horses or personnel with the approval of the Montana Board of Horse Racing. If a horse qualifies for the final as a result of trial, but is unable to race after entering the finals, it will be awarded last place money.

TRAINERS WILL BE RESPONSIBLE TO KNOW THE CONDITIONS OF THE HORSE THEY ENTER. IF A HORSE IS ENTERED THAT DOES NOT FIT THE CONDITIONS, YOUR NOMINATION AND SUSTAINING FEES WILL NOT BE REFUNDED, AND THE HORSE WILL BE SCRATCHED.

Trainer's Responsibility

Each trainer is obligated to protect the horses in his/her care. Trainers are absolutely responsible for the condition of his/her horse(s). Trainers failing to do so will be asked to appear before the stewards.

Horses & Mules coming into Montana *(Required by the Montana Department of Livestock)*

Equine Infectious Anemia (EIA) - All animals must have a negative EIA test (Coggins test) within the 12 months prior to importation. **Exception:** A nursing foal under 6 months of age accompanied by the EIA negative dam is exempt from test requirements.
