

World Famous Miles City Bucking Horse Sale Futurity Reaches Historic Milestone with \$100,000 Finals Purse

Miles City, Montana — The World Famous Miles City Bucking Horse Sale is proud to announce a landmark achievement for Montana horse racing: the 2-Year-Old Futurity Finals on Sunday of the World Famous Miles City Bucking Horse Sale will feature a \$100,000 purse, marking one of the most significant race purses ever offered by a small independent track in the region.

What began as a vision to expand horse racing opportunities in eastern Montana has evolved into an event attracting competitors, owners, trainers, and fans from across the West. The Bucking Horse Sale Futurity has rapidly become a showcase for elite young racehorses while staying true to the western heritage and community roots that make the Bucking Horse Sale race meet unique.

“For a small Montana track to put together a \$100,000 futurity purse is an incredible accomplishment,” said John Morford, President of the Board of Governors for the World Famous Miles City Bucking Horse Sale. “This race represents the hard work of countless horsemen, sponsors, fans, and community members who believe in the future of racing in Miles City. We’re proud to prove that premier racing events can thrive in rural America.”

The futurity finals will take place Sunday during the Bucking Horse Sale weekend festivities and are expected to draw a strong field of talented 2-year-old racehorses competing for one of the richest purses in the area.

The event highlights a rare spot of continued growth despite the challenges smaller tracks often face in competing with larger racing markets nationwide.

Fans attending the finals can expect an electric atmosphere combining top-tier racing competition with the tradition and excitement that have made the Bucking Horse Sale one of Montana’s signature western events.
